RE: Permit #ACT 015-032 #2 94D Co1
Crandall Canyon Mine:
Submittal to the currently approved Mine and Reclamation Plan
to incorporate shotcreting to the slope-cut along the Portal
road.

Dear Mr. Haddock:

Please find enclosed for your approval fourteen (14) copies of Page 5-30A, page 5-49, and an addendum sheet to Appendix 5-20, the bond estimate. Page 5-30A reflects the manner in which shotcreting will be constructed. Page 5-49 reflects the manner of disposal at the time of reclamation. The addendum sheet to Appendix 5-20, Additional Projects incurred after the Bond Estimate, lists the shotcrete, referencing the project to the bond.

As discussed with you in a telephone conversation, This project is necessary to be completed during Genwal's vacation period which started on 6/20/94 and will end on 7/5/94. The last week of vacation, the week of 6/27/94, has been scheduled. It is necessary to complete the job prior to the end of vacation. Your assistance in expediting this would be appreciated.

Should you have any questions or need additional information, please contact me at 687-9813.

Sincerely,
GENWAL COAL COMPANY
